Upside Software Helps Educate the Industry About IACCM

Increasing the awareness of IACCM: Radio interview by MyTechnologyLawyer

EDMONTON, ALBERTA, CANADA —Upside Software Inc., a global leader in enterprise contract management software, was interviewed by MyTechnologyLawyer Radio by IACCM (International Association of Contract and Commercial Management) and its role in contract management across various industries, worldwide.

“IACCM is one of the most important organizations if you have anything to do with contract and/or commitment management” said Ashif Mawji, President and CEO, Upside Software. He added, “This not-for-profit association has grown substantially and has thousands of diverse organizations in its membership. As a result, Upside Software receives tremendous value from the knowledge dispersed by IACCM. We believe all organizations who manage contracts should become a member of IACCM – the ROI is very obvious and the value one gets is truly superior!”

Please see the enclosed link to listen to the radio interview held on March 12, 2008, where the MyTechnologyLawyer Radio Show, Scott Draughon talks with Tim Cummins and guests, Diane Homolak (Hewlett-Packard), Laura Williams (Safeco Insurance), Tom Crimi (Chevron), Tom Larkin (Supply Management Global Reporting), Tim McCarthy (Rockwell Automation), Brett Pauly (Cisco), Ashif Mawji (Upside Software), and Bill Huber (TPI) about the International Association for Contract and Commercial Management (IACCM).
